

ANOTHER EXCLUSIVE USAIGC CLUB MEMBERSHIP BENEFIT

DGS 9.9 and the USAIGC have an EXCLUSIVE “KIP CLUB AFFILIATE PROGRAM” for all USAIGC Club Members, another USAIGC Club Membership exclusive money saving and bottom line increasing benefit.

What is the DGS 9.9 Kip Club Affiliate Program?

A program in which USAIGC members advertise the DGS web site (<http://www.gymsupply.com/>) and get paid commissions when a client (the club, parent, gymnast, etc.) buys a product from your special link. Your club receives a five (5%) commission of the cost of every purchased product from your DGS 9.9 link on sales generated and each club will receive an additional 3% discount (totaling 8%) on **equipment purchases** placed directly with DGS at 1-800-932-3339 with a USAIGC Club Membership Number.

How does it work?

All USAIGC Clubs (affiliates) have to do to earn money is **copy the link code** given to them by the Kip Club web site and paste it wherever someone might see it! For example, clubs can place a link to the DGS web site on their own web site and promote effortlessly, 24 hours a day. Another way to promote your “on-line store” is through e-mail, instant messenger; or your club newsletter. Anyone who clicks on your link and buys an item from the DGS web site, 5% of that purchase goes straight to you!

If nothing else you will save 8% on any equipment purchases you make!
